

Our Whole Lives Sexuality Education for Kindergarten to 2nd Graders

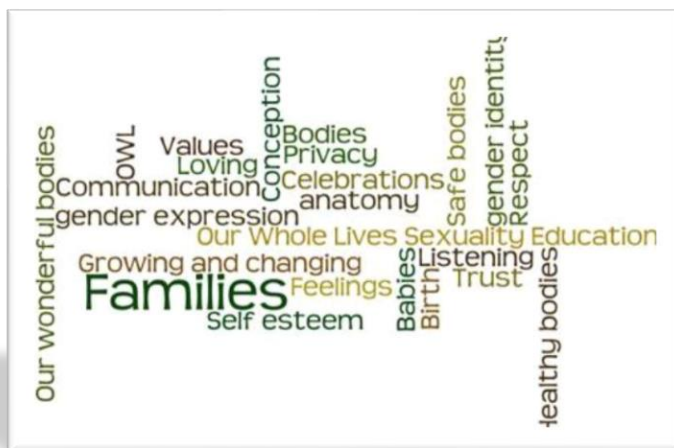

Parents are children's primary teachers, and OWL is here to help! Our Whole Lives: Sexuality Education for Grades K-1 can help you educate your child about birth, babies, bodies, and families. You will be actively involved as your child learns through songs, stories, activities and at-home projects that promote family dialogue.

Our Whole Lives (OWL) values:

- Respect
- Relationship
- Responsibility

OWL models and teaches caring, compassion, respect, and justice. It helps children in Grades kindergarten through 2nd grades understand the basics of consent, birth, families, bodies, and feelings, in fun, age-appropriate ways.

Participants are guided by trained facilitators through an engaging curriculum that addresses topics most important to children of this age.
